Angaben zum Inhalt

Lehrinhalte	In a lot of areas in social work, group work is an important part. Therefore organizing a group, running a group and evaluating a group is an important competence for a social worker. In order to achieve that, the knowledge of group processes, phases in groups, roles and leadership skills are necessary. Additionally special forms of group work, e.g. supervision will be a part of this seminar. This seminar will include practical methods and tools for group work.
